of the I AM  
University on the  
Inner Planes & an  
Understanding of  
Your Integrated  
Lightbody Split-off  
Selves III  
Integrated Lightbody  
Split-off Selves**

**UNDERSTANDING SPLIT-OFF SELVES = PART OF UNDERSTANDING THE OMNIPRESENCE OF GOD** : since we are made in God's Image, the development of our Split-off Selves is part of our growing into our omnipresence as well => plus everything happens simultaneously for there is no such thing as time & space (time & space = contrived concept set up to help God's Sons & Daughters learn their lessons and XI. pass their Spiritual tests)

**SPLIT-OFF SELVES OF GOD** : every being in the infinite universe in all dimensions, is a type of Split-off Self of God; He gave each of us free choice and we are all literally part of His Consciousness; we are each part of God's Consciousness and an integral part of Him => **GOD IS THE SUPREME EXAMPLE OF BEING ABLE TO SPLIT HIS CONSCIOUSNESS INTO INFINITE PARTS**; the Split-off Selves are another subdivision of the Omnipresence of God & the Sons and Daughters of X. God

**SPLIT-OFF SELVES & SERVICE WORK** : your Split-off Selves are doing service work without your conscious knowledge for the most part; then when you sleep at night you are doing service work, attending classes, soul traveling all over the place, all mostly without your conscious knowledge; as one evolves one's energy has an enormous effect; the more advanced one becomes Spiritually, the more expanded their light and energy is; just walking into a room or living on Earth is a service; your energy even has an effect on the Earth & your energy fields touch enormous numbers of people; your Spiritual development also has an enormous effect on your IX. 144 soul extensions from your Monad and 12 Oversouls

**THE KEY TO THE SPLIT-OFF SELVES BEING EFFECTIVE** = to become an Integrated Spiritual Master for if this is not the case, the Split-off Selves would become fragmented astral selves, not enlightened self-realized and God Realized VIII. aspects of self

**THE LORD GIVETH AND THE LORD TAKETH AWAY** : Once you achieve Split-off Selves, they can be taken away if you fall down the Spiritual ladder (is also true for initiations and VII. Lightbodies)

Each person after achieving their 4th initiation has the potential to realize what is called an **INTEGRATED LIGHTBODY SPLIT-OFF SELF**; at the 7th initiation it is possible to receive 2 and at the 12th it is possible to receive 3 I. or 4 Split-off Selves

**THE HIGHER YOU GO, THE MORE YOU GET** : The higher one moves in achieving the anchoring & activation of their Lightbodies & initiations, the more Split-off Selves they II. achieve

**MULTIDIMENSIONALITY** : These split-off selves study and learn as well at the I AM University and the various ashrams of III. Spirit & Masters for we are all multidimensional beings

**NOT THE SAME AS SOUL EXTENSIONS** : These Split-off Selves are in addition to the 12 soul extensions of your Oversoul and the 144 soul extensions that make up your IV. Monad

**REQUIREMENTS TO RECEIVE SPLIT-OFF SELVES** : integration of initiations and Lightbodies, passing all your Spiritual tests & lessons, working on your consciousness, earning this privilege, demonstrating egolessness & God purity, doing your service work, Spiritual leadership, planetary world service, grounding your Spiritual mission on Earth, fulfilling your puzzle piece, being of the Spiritual / Christ / Buddha / Krishna / Moses / Mohammed / Mighty I AM V. Presence / God / Goddess Consciousness...;

**YOU AND YOUR SPLIT-OFF SELVES ARE ONE** : The Split-off Selves are not separate from you; if a Split-off Self writes a book, it is really you writing the book - you just don't remember; they are not like the Higher Self or Oversoul; they are literally part of you and, in truth, you are their teacher; **YOUR SPLIT-OFF SELVES ARE AN INTEGRATED EXTENSION OF YOUR SELF - IF YOUR CONSCIOUSNESS IS NOT IN MASTERY AND INTEGRATION, THEN YOUR VI. SPLIT-OFF SELVES WILL NOT BE EITHER**
