

The Mighty I AM Presence, Oversoul, Superconscious Mind, and Universal Mind Seven Levels of Marriage and Integration Program in the Cosmic Wedding Chapel and Chamber of God I

IN THE ALICE BAILEY BOOKS IN THE 1940'S, DJWHAL KHUL PROPHESED THAT AT THE TURN OF THE CENTURY THERE WOULD BE A FOURTH DISPENSATION OF ASCENDED MASTER TEACHINGS : the I AM University which began around the year 2000, or slightly before, is this fourth dispensation => **the I AM University is an upgrade of the I AM Teachings & Movement, of Theosophy & of Alice Bailey books**; ***it is no coincidence that Dr Stone took over Spiritual leadership of Djwhal Khul's inner plane Synthesis Ashram (which grew & evolved into the inner plane I AM XIII. University)

THE I AM UNIVERSITY = THE FOURTH DISPENSATION OF ASCENDED MASTER TEACHINGS: it is both the next octave & dispensation of Ascended Master Teachings of **Theosophy & Alice Bailey Lineage**, and the teachings of the **I AM Teachings of Saint Germain as well**; ***the I AM University is interchangeably using the terms Monad & Mighty I AM Presence (Theosophy & Alice Bailey used the term "Monad" and the I AM books of Godfrey Ray King, who channeled Saint Germain, used the term "Mighty I AM Presence"); *****the I AM University integrates, synthesizes, harmonizes, blends & merges the two and provides the next Aquarian Age 2,000 year cycle octave to upgrade these teachings** (for the I AM Movement never spoke of Souls, Oversouls & Monads, and becoming all 144 and not just a 144th in terms of how you perceive your identity) => **you still have a singular identity, but your 144 soul extensions become an integrated & cleansed part of your consciousness**
XII.

YOUR MONAD WILL HELP YOU SET UP SPECIAL COUNCIL MEETINGS WITH YOUR 144 MONADIC EXTENSIONS: with the **Mighty I AM Presence serving as moderator of the meeting** => the idea is to get all your 144 Monad extensions (or Soul extensions) working on the same team: ***by going through the inner & outer plane I AM University, **you will most probably become the Spiritual leaders of your Monad family of 144 Souls** => when you ascend, you do it for all 144 and they each ascend with you
XI.

THE MIGHTY I AM PRESENCE WILL HELP YOU RETRIEVE ALL ASPECTS OF CONSCIOUSNESS THAT NO LONGER BELONG WITH OTHER PEOPLE FROM PAST LIVES OR THIS LIFE : the Monad creates 12 Oversouls => the 12 Oversouls each create 12 Souls (you are one of these 12 Souls) => we as Souls in the same manner create Integrated Lightbody Split-off Selves eventually in unlimited numbers; ***we create just as our Oversoul & Monad create; * ****SPLIT-OFF SELVES CANNOT BE CREATED WITHOUT THE PERMISSION OF GOD**, for since they are extensions of our consciousness, if the person creating them is unclear or fragmented, the split-off selves will start taking on those qualities as well => going through this inner & outer Earthly plane I AM University training will help you to increase your number of Integrated X. Lightbody Split-off Selves so you can do more service

THE MIGHTY I AM PRESENCE LOOKS LIKE A BLAZING SUN : each of the 144 Souls are like Rays extending out from the sun => as part of this inner plane training; **your Monad will help you anchor its presence into you & into your physical body and manifest through you on Earth** ... so you become like a radiant sun on Earth
IX.

YOUR MIGHTY I AM PRESENCE WILL HELP YOU SWITCH YOUR IDENTITY : from just being a 144th of what you are to **recognizing your true group consciousness integrated nature** => you still have a singular point of identity, but within that identity is VIII. your other 143 aspects of self that is integrated as well

MAIN FOCUS = TO HELP YOU FULLY INTEGRATE, CLEANSE & MERGE WITH THE 144 SOULS OR EXTENSIONS FROM YOUR MONAD : Spirit will help you to **not only fully ascend yourself to the 12th or 22nd level, but will also help you to ascend all 144 Souls in your Monad & Mighty I AM Presence family** => they will be training you to become a **fully Realized Mighty I AM Presence on Earth, with the final goal being the achievement & realization of your 22nd level of initiation**, which will make you a fully Realized Planetary Christ, Buddha, Krishna, Moses, Mohammed, God / I. Goddess as well

YOU WILL BE TRAINED TO DEVELOP YOUR I AM CONSCIOUSNESS : I AM Eyes, I AM Ears, I AM Supersenses, I AM Chakras, I AM Energy Fields & Bodies, I AM Resurrection, I AM Ascension and you will be trained to understand how to create an I AM Civilization on Earth => this inner plane training will help you **fully open up your connection to all these aspects of self and then to fully merge & integrate with II. them on Earth**

THE ULTIMATE GOAL OF THIS TRAINING = TO HELP YOU FULLY REALIZE THE MIGHTY I AM PRESENCE ON EARTH : and then **merge with the I AM THAT I AM (=God)**; ***in this inner plane training you will be trained to fully integrate & **merge with III. God, Christ & the Holy Spirit** as well

THIS INNER PLANE TRAINING WILL HELP YOU TO COMPLETELY IV. REPROGRAM YOUR SUBCONSCIOUS MIND : it will help you to ...

- achieve & realize brain illumination
- illuminate the 144 areas of the mind
- Spiritualize your 24 cranial nerves that surround the Throne of Grace
- Spiritually electrify your 144,000 nadis
- Spiritually illumine your 12 bodily divisions
- Spiritually activate the 12 powers in man
- fully raise your Kundalini in a safe way
- remove all core fear remnants in your subconscious, energy fields & Chakras
- see through first all 12 Souls in your Oversoul & then all 144 Souls in your Monad

THIS INNER PLANE TRAINING WILL HELP YOU GET ALL YOUR 144 SOULS IN YOUR MONAD WORKING ON THE SAME PAGE : hence you will then have working **at your disposal** not only all your Integrated Lightbody Split-off Selves, but also all the V. **Integrated Lightbody Split-off Selves of all 144 Souls in your Monad family**

THIS INNER PLANE TRAINING WILL BE GIVEN TO ALL 144 SOULS OR EXTENSIONS OF YOUR MONAD SIMULTANEOUSLY : so **all 144 Souls in your Monad will develop this state of consciousness & Mighty I AM Presence Realization simultaneously** => this is truly what Self & God Realization is really about (our true multi-dimensional nature has been completely left out of most Spiritual training & Spiritual schools on this planet); ***this inner plane program will help you not only to (physically - if that is your choice) **ascend, resurrect, transfigure, graduate, experience the rapture, translate, achieve enlightenment, achieve your 12-22 levels of initiation & Lightbody anchoring & activation**, but it will do it for **all 144 of you => THIS IS CALLED "INTEGRATED FULL SPECTRUM PRISM VI. CONSCIOUSNESS SYNTHESIS MIGHTY I AM PRESENCE REALIZATION"**

THE SOUL THAT MOST PEOPLE ON EARTH THINK THEY ARE = ONLY A 144TH OF WHAT THEIR TRUE IDENTITY REALLY IS : even though your name is the name of your Soul, **your true Spiritual name = the name of your Mighty I AM Presence** if you choose it to be so (this is not required); ***some Masters choose this & some don't => in this inner plane training program, **your Mighty I AM Presence will help you give you VII. your true Spiritual name or the name of your Mighty I AM Presence**
