

The Mighty I AM Presence, Oversoul, Superconscious Mind, and Universal Mind Seven Levels of Marriage and Integration Program in the Cosmic Wedding Chapel and Chamber of God II

CREATION BEGAN WITH GOD CREATING THREE DROPS (=GOD, I. CHRIST & HOLY SPIRIT) :

- then God created 3 Lines of Evolution (Elohim, Angelic & Ascended Master)
- then God created the Cosmic Monads in each of the 7 Great Rays
- then Cosmic Monads created Multi-Universal Monads
- then Multi-Universal Monads created Universal Monads
- then Universal Monads created Galactic Monads
- then Galactic Monads created Solar Monads
- then Solar Monads created Planetary Monads
- then Planetary Monads created 12 Oversouls
- then each of the 12 Oversouls created 12 Souls (one of which is you)

AS WE EVOLVE, AT EACH LEVEL WE ARE INTEGRATING & CLEANSING MORE SOULS INTO OUR BEING: until the end when you achieve all 352 levels when all Souls in all of Creation are a part of you and are integrated into your being => each level is a higher step on Jacob's Ladder of merging with the proverbial "I AM" until in the end you merge with the I AM THAT I AM (=GOD); *as we evolve we first merge with our Planetary Monad, then Solar, then Galactic, then Universal, then Multi-Universal Monad ... when we finally merge back into the Cosmic Monad II. or Mighty I AM Presence and the I AM THAT I AM**

THERE ARE SEVEN LEVELS OF MIGHTY I AM PRESENCE OR MONAD REALIZATION : eventually all Souls in Creation will become part of our Monadic family; ***we already are one with God and the I AM THAT I AM, however, the way Creation has been set up by God is that we have to REALIZE this through each of the 352 levels, and do it consciously, and be a III. Master at each level before we are allowed to climb to the next step

1	Planetary Mighty I AM Presence Realization
2	Solar Mighty I AM Presence Realization
3	Galactic Mighty I AM Presence Realization
4	Universal Mighty I AM Presence Realization
5	Multi-Universal Mighty I AM Presence Realization
6	Cosmic Mighty I AM Presence Realization
7	I AM THAT I AM Realization

THE ONLY DIFFERENCE BETWEEN GOD & US = THAT GOD CREATED US AND WE DID NOT CREATE GOD : other than this we are in truth IV. miniature replicas of God or the I AM

YOUR MIGHTY I AM PRESENCE WILL HELP YOU ACCELERATE YOUR INITIATION AND LIGHTBODY ANCHORING & ACTIVATION PROCESS : since your true identity is the Monad and not a 144th part of your Monad or one Soul, **even though you continue to have a singular integrated group consciousness identity, not only do you have a personal initiation level, but each of your 144 Monadic extensions (or Soul extensions) have an individual initiation level as well** => each of your 12 Oversouls and your Monad has an initiation level as well; ***you should not only be striving to increase your own personal initiation level, but you should be striving to increase the initiation level of your Monad, your 12 Oversouls and of all the V. other 143 Souls in your Monadic group ... besides your own

WHAT DETERMINES THE OVERSOUL'S & MONAD'S INITIATION LEVEL : you determine your Oversoul's initiation level by **adding up all the initiations of the 12 Oversouls and then dividing it by 12;** ***you determine your Monad's initiation level by **adding up all the initiations of the 144 Souls in your Monad and then dividing it by 144 => on the inner planes a better indicator of your initiation level = the initiation of your Monad, not just your as 1/144th of your Monadic identity;** ***your fate is intimately tied to VI. the evolution of your 144 Souls and Monad or Mighty I AM Presence

EACH MONAD HAS 72 FEMALE SOULS & 72 MALE SOULS : it is extremely rare for a person to marry someone from their same Oversoul of 12; it is a little more common, however, still rare, that you meet someone from your same Monad and fall in love; ***i.e.: Jesus & Mary are of the same XII. Monad

TO DEVELOP THE 144 AREAS OF YOUR MIND & ACHIEVE FULL BRAIN ILLUMINATION : part of this process = integrating & cleansing your 144 Souls in your Monad => your Monad will help you do this in this inner plane training XI. program

NOT ALL MIGHTY I AM PRESENCES ARE THE SAME : some have realized the I AM more than others => if this were not so, they would not be at varying initiation and Lightbody anchoring & activation levels; ***even though this is the case, the Mighty I AM Presence is an aspect of Spirit and so has a certain omniscience, omnipresence & omnipotence => the Mighty I AM Presence is both God Realized and in a state of Spiritual evolution as well (its evolutionary aspect is how well it is evolving all its 144 Souls & 12 Oversouls); ***Monads differ in initiation, leadership & levels of intelligence, yet are X. still like the Christ, and Holy Spirit, our true teachers

YOUR 144 SOULS IN YOUR MIGHTY I AM PRESENCE FAMILY FORM A GROUP MIND OR COLLECTIVE MONADIC UNCONSCIOUS : it is possible to tune into this collective subconscious mind of your Monad and all 144 Souls, and hence have access to all the talents & abilities and Integrated Lightbody Split-off Selves of your entire 144 => this happens on the inner plane and will eventually start to bleed through into your consciousness on IX. Earth if you are diligent, focused & disciplined on your Spiritual path

APPROXIMATE MONADIC INITIATION LEVEL OF SOME MASTERS : the following numbers are generalized & approximate and vary from Master to VIII. Master ...

YOU WILL BE SHOWN HOW TO FORM A COOPERATIVE SPIRITUAL TEAM WITH YOUR 144 SOULS IN YOUR MONADIC GROUP : your Mighty I AM Presence, Oversouls, Superconscious Mind & the Universal Mind will show you tools & techniques of how to evolve them and raise the initiation & Lightbody anchoring & activation of your entire Monad & VII. Oversoul structure of 12
