

The inner and outer/Earthly plane curriculum of the I AM University provides the **Spiritual/ascension, psychological/consciousness and physical/Earthly training** required so our society may transform into one of **Integrated Ascended Masters** that is **Spiritually, psychologically and physically/Earthly equipped** to once again take charge of Planet Earth, restore the God attuned and God infused consciousness this planet knew in times long past, and create Heaven on Earth as Planetary Realized Sons and Daughters of God!

I AM University Mission Statement

To launch and spearhead a **Revolution and Evolution of XI. Consciousness and Spiritual Renaissance.**

To **eradicate fear** (=False Evidence Appearing Real), **disintegration and fragmentation** from the world through the proper practice of X. Spiritual psychology.

To **usher in the Seventh Golden Age** and accelerate the **establishment of a Fifth-Dimensional Ascended Master Society IX.** on Earth after Christed Extraterrestrial blueprint, model and design.

To **provide the Integrated Full Spectrum Prism Consciousness Training for the politicians, educators, businessmen and women, artists, scientists, ministers and societal workers of tomorrow (today)**, so they may have the God attuned consciousness to serve the evolution of humanity through yielding expertise in their field of service and the Ray Department of their calling, without letting negative ego / fear-based / separative / dualistic / illusionary / selfish / VIII. lower-self / materialistic consciousness contaminate their service work.

To **facilitate an official and tangible platform for the externalization of the Spiritual Hierarchy** on Earth, as prophesied VII. by the Ascended Master Djwhal Khul through Alice Bailey.

To unify all religions, **Spiritual teachers, gurus, yogis, Masters, Spiritual centers, schools of thought, mystery schools, channels, healers, Spiritual leaders, counselors, philosophies and I. psychologies, Light, Love and Power Workers** around the world.

To **provide a balanced and integrated Full Spectrum Prism training** through the mastery, integration and balance of the Spiritual/ascension, psychological/consciousness and physical/Earthly II. level.

To help all inspired Souls achieve their 12 to 22 levels of initiation and Lightbody anchoring and activation in an integrated and balanced way, and hence **become Integrated Ascended Masters and Planetary Realized Christs / Buddhas / Krishnas / Moses' / Mohammeds / Mighty I AM Presences / Gods and Goddess** and to **channel their evolved consciousness into Planetary Spiritual Leadership and III. World Service.**

To help all Love, Light and Power Workers around the world realize themselves as a vital part of the **Externalization of the Spiritual IV. Hierarchy on Earth** and to think, feel, speak, and act accordingly.

To provide a place on the world wide web, namely **"I AM U World Watch" and "I AM U Global Office"**, which we plan to launch on the I AM University website in the future, to provide an integrated Full Spectrum Prism and up-to-date listing of current global issues in the Seven Ray Departments that need attention, as an effort to **facilitate a global focal point to unite the prayers, power and consciousness of the global Spiritual community to collectively V. right the wrong in the world.**

To **provide a global unifying platform and vehicle for the Spiritual Hierarchy** of Ascended Masters, Archangels and Angels, Elohim and Christed Extraterrestrials who work with the evolution of the consciousness of humanity, to **disseminate the Fourth Dispensation of Ascended Master Teachings** and to **serve as Second Ray VI. educational outpost of the Office of the Christ.**
