The Lord Maitreya & Lord Buddha Spiritual Leadership, Chohan, and Global World Service Development Program

YOU WILL RECEIVE SPIRITUAL LEADERSHIP TRAINING IN ALL SEVEN XII. RAY DEPARTMENTS : not just the First Ray

YOU WILL BE TRAINED TO BECOME A SEVENFOLD CHRISTED MASTER : you will be trained to achieve your **12 levels of initiation through all Seven Rays**; ***the Masters involved in this program will help you learn XI. your lessons & pass your Spiritual tests

FOCUS ON MASTERY & INTEGRATION OF THE SEVEN GREAT RAYS OF GOD : there will be a focus on developing **psychological mastery, and mastery, development & refinement of your consciousness**; ***the Masters will help initiates & disciples by infusing the energy, light & colors of the Seven Rays into the consciousness of each Soul, depending on the Ray X. & color frequency each individual needs

THE INNER & OUTER EARTHLY PLANE I AM UNIVERSITY HAS BEEN CHOSEN AS THE TRAINING SCHOOL FOR THE SPIRITUAL LEADERS OF OUR INNER PLANE SPIRITUAL GOVERNMENT FOR THIS NEXT LIFEWAVE : that is incarnated on Earth right now; ***this is why it has been made a required gate in the understanding that all Souls on Earth need to achieve their integrated ascension in order to graduate from this Earthly IX. school

SPIRITUAL LEADERSHIP & PLANETARY WORLD SERVICE FROM A FULL THREEFOLD FLAME OF GOD REALIZATION : you will be trained in the **12 levels of Second Ray Spiritual education & the 12 levels of Third Ray Active Intelligence**, so your Spiritual leadership & planetary world VII. service is done from a full Threefold Flame of God Realization level

ALL 144 SOULS IN YOUR MONAD WILL BE TRAINED IN THIS SPIRITUAL LEADERSHIP, CHOHANIC & GLOBAL WORLD SERVICE DEVELOPMENT PROGRAM : in other words, you are being offered **full Monadic & Mighty I AM Presence Realization in Spiritual leadership & planetary world service** VII.

TRAINING HAPPENS IN INNER PLANE ASHRAMS OF LORD MAITREYA, I. LORD BUDDHA & THE SEVEN CHOHANS

PURPOSE OF TRAINING = to train you to become a Planetary Christ, Buddha, Krishna, Moses, Mohammed, Mighty I AM Presence and God/Goddess at the 22nd level of initiation and to **become a Planetary Logos at that level** - not in the sense of training to take over Lord Buddha's job as Planetary Logos in the Spiritual government, but **in the sense of taking responsibility for the Earth as if it were your physical body => in truth you are a Planetary logos for your own personal physical body II. right now**

THE NATURE OF SPIRITUAL EVOLUTION = THAT EACH STEP YOU GO UP JACOB'S LADDER YOU EXPAND : you grow in Spiritual leadership and responsibility first by learning to be in Spiritual leadership of yourself => **the key to being an effective Spiritual leader in the world = to first be an effective Spiritual leader of yourself & all your energies**; ***the next step then is to take responsibility for Spiritually leading your 12 Souls, or **Oversoul family**; ***the next step is taking Spiritual leadership of your **144 Souls from your Monad**; ***then Spiritual leadership over your **Earthly family**; ***then over your **community or city** you live in; ***then over the **state** you live in; ***then over your **country**; ***then over your **planet**; ***then the **solar system, galaxy, universe, multi-universe** - and once you reach the 352nd level of initiation - the **entire cosmos** (although your focus now will be mainly III. on a planetary level since you are in a Planetary School)

INITIATION ACHIEVEMENT, SPIRITUAL LEADERSHIP & WORLD SERVICE RESPONSIBILITY GO HAND IN HAND : as much is given by God IV. & the Masters, much is expected

ALMOST EVERYONE ON EARTH = LIVING IN AN ILLUSION : **thinking they are responsible just for themselves** => in truth every person's true identity = the Mighty I AM Presence or Monad, which is the individualized Presence of God within you; ***that is why your true Spiritual name = that of V. your Mighty I AM Presence

SINCE THE I AM PRESENCE = YOUR TRUE INDIVIDUALIZED IDENTITY: each of you is really 144 Souls, not just one Soul => in this inner plane program, Lord Maitreya, Lord Buddha, the Seven Chohans, the Manu, Allah Gobi & the Mahachohan/St Germain will be training you in how to live your life VI. as the 144 multi-dimensional being you really are
