

Orientation for Newcomers I

PRAYER ALTAR PROGRAM : free service of the I AM University; *** every prayer that is submitted is being placed on the physical / Earthly /outer as well inner plane interdimensional Prayer Altar of the I AM University to XII. support the realization of your prayer requests

WORKING WITH AN I AM UNIVERSITY TUTOR/MENTOR : coming in 2007; tutor system be evolved over the years to XI. come

CHANNELED SESSIONS : two sessions that are highly recommended to start out with = (1) Initiation, Light Quotient, Integrated Consciousness Quotient & Ray Reading, and (2) Implant & Negative Elemental Removal Session & Ascension Clearing ==> however, you can choose whatever sessions you feel guided to; these are just recommendations; ***for the more advanced students, initiates & Masters, the I AM University offers a vast array of advanced channeled sessions to support your integrated X. ascension process

MINDMAPS : we are currently working on making the curriculum of the I AM University available in mindmap format for those interested in the work who prefer a more right-brain approach to the vast body of the I AM University teachings, or who lack the time and/or interest to read thousand of pages; and to generally offer a right-brain element and compliment to the more left-brain written curriculum materials, as an incentive to reach a larger global audience and offer a more "brain-balanced" curriculum; mindmaps for the eight correspondence courses IX. scheduled to be released in 2007

CORRESPONDENCE COURSES : recommended to start with correspondence courses # 7 & 8; however, you may read the correspondence courses in whatever order you feel guided to => there is no right or wrong as no two people are alike or working on the same lessons at the same time; ***all correspondence courses are in the process of being released in audio format as well; to appeal to the more VIII. audible student on the Path

SUBCONSCIOUS MIND MAKEOVER PROGRAM : serves to compliment the Ascension Activation Meditations on the level of & with focus on consciousness development; contains affirmations, subliminal affirmations, visualizations, hypnosis ... to help you become an Integrated Full Spectrum Prism VII. Ascended Masters

BEGINNER'S CORNER: good beginning introduction to the work of the I AM University; includes introductory slide I. shows,; free service of the I AM University

ENROLLMENT INTO THE I AM UNIVERSITY : ***gives permission to Spirit & the Ascended Masters to work on you 24/7; ***allows you to join the 8 inner plane Spiritual Training Programs and all the classes, workshops, seminars, internships ... on the inner plane; ***also allows you to officially enter the inner & outer plane I AM University => you will be studying in your Soul body 24/7 on the inner plane while simultaneously studying, learning & applying similar teachings using the outer I AM University Ascended Master Teachings as well; ***ENROLLMENT = ABOUT MAKING A COMMITMENT AND SIGNING UP FOR A STUDY & PRACTICE CURRICULUM; official enrollment will allow you free access to the I AM University Online II. Library (22 e-books & 12 e-booklets)

CRASH COURSE : free service of the I AM University; ***gives a good overview & somewhat summarizes the content of Dr III. Stone's *Easy To Read Encyclopedia of the Spiritual Path*

WORKBOOK : provides a comprehensive overview in quintessential & essence form of some of the basic IV. teachings of the I AM University

JOURNAL SYSTEM : an incredible tool to develop & refine one's consciousness; designed to help you master the V. various aspects of your consciousness

ASCENSION ACTIVATION MEDITATIONS : provide the experiential aspect of the curriculum; ***these Ascension Activation Meditations will purify & Spiritually electrify your body energy fields & Chakras in a most Spiritually exhilarating fashion => they contain hundreds of Spiritual activations; they are the most powerful meditations of their VI. kind available on Earth today
