

**Since the I AM University is both an inner and outer plane training facility, there is an inner and outer plane component to its curriculum!**

**THE EIGHT CORRESPONDENCE COURSES DOVETAIL & BLEND WITH THE INNER PLANE TRAINING YOU WILL RECEIVE IN YOUR TRAINING TO BECOME AN INTEGRATED ASCENDED MASTER :** however, due to the vastness of the inner plane curriculum, **these eight correspondence courses only cover an aspect of the actual eight training programs you will be attending and covering on the inner plane** as an officially recognized student of the I AM University; \*\*\*over the years to come, more and more components and aspects of the inner plane training will be externalized, channelled and written in order to gradually bring to your conscious awareness more and more of the inner plane training you will be receiving as an active and committed student of V. the inner and outer/Earthly plane I AM University

**THE INNER PLANE CURRICULUM INVOLVES :** the attendance of classes, seminars, training programs & workshops, as well as the active participation in world service projects, in your Soul body, Split-off Consciousness Selves and in a bilocated state - whether you are consciously aware of it or not => the more you evolve and the more sincere you are about applying that which you learn at the inner and outer plane I AM University, the easier it will become to retain  
I. remembrance of the work done on the inner plane

**THE OUTER PLANE CURRICULUM INVOLVES :** the study, integration & application of the physical/Earthly curriculum of the I AM University, currently consisting of the Official I AM University Workbook, Journal System, Seven Year Daily Planner, Correspondence Courses, Training Manuals, Books, Ascension Activation Meditations, Subconscious Mind Makeover Audio Programs, as well as all  
II. forthcoming writings

**I AM University  
Inner/Outer  
Plane Training  
Correlation**

**CURRENTLY THERE EXISTS AN OUTER/EARTHLY PLANE CORRELATION TO THE EIGHT OFFICIAL INNER PLANE PROGRAMS :** that have been written out in an introductory fashion on IV. the I AM University website

**A MAJOR PART OF THE INNER PLANE CURRICULUM INVOLVES THE EIGHT "INNER PLANE TRAINING PROGRAMS" SPONSORED BY SPIRIT & THE MASTERS AS AN INCENTIVE TO ENHANCE THE SPIRITUAL EVOLUTION OF INSPIRED SOULS :** however, **these eight programs are by no means the only programs you will participate in upon official enrollment** in the inner and outer plane I AM University => there are a vast number of inner plane internships, research internships, lectures, tutorials, seminars, and so forth; \*\*\*in the years and decades to come we plan to channel & externalize all these inner plane programs to provide you with an outer plane component to these inner plane classes
